

Virginia's Poultry Litter Transport Incentive Program

The Virginia Department of Conservation and Recreation and the Virginia Poultry Federation offer a poultry litter transport incentive program to facilitate the efficient use of poultry litter as a crop nutrient source in areas that can most benefit from those nutrients and that are outside of the main poultry-producing counties. The goal of this program is to encourage development of self-sustaining poultry litter markets outside of the Chesapeake Bay watershed and in certain specified areas within the Chesapeake Bay watershed. Through the program, \$17.50, \$25, or \$30 is provided per ton of litter moved to help cover the additional costs associated with increased transport distances.

A. Who is eligible?

1. Poultry litter end-users

B. Program requirements:

1. Poultry litter must originate on farms in Accomack, Page, or Rockingham counties.
2. To receive an incentive payment through this program, litter must be transported to a final destination in the counties listed in section E of this document.
3. Up to 800 tons of litter may be eligible per applicant per incentive request. Once documentation has been received by DCR, that request is complete, even if the amount of litter applied falls below the original request amount. Subsequent requests may be submitted after a request for payment, with all forms completed, has been received on the previous request.
4. Completed Poultry Litter Transport Incentive Request Forms are valid for the current fiscal year, which begins July 1, 2023 and ends June 30, 2024.
5. Certified scale weight tickets for **all** tonnage moved are **required** to receive payment.
6. A Nutrient Management Plan (NMP) must be prepared by a nutrient management planner certified by the Virginia Department of Conservation and Recreation (DCR) for all fields scheduled to receive poultry litter.
7. The end-user agrees to fully implement their NMP and to participate in NMP verification.

8. Fields eligible for payment must have a Virginia Tech soil test phosphorus reading (i.e. Virginia Tech soil test reading P lbs/acre, Mehlich I) no greater than the following:

Region	Soil Test Reading
Eastern Shore and Lower Coastal Plain	270
Middle and Upper Coastal Plain and Piedmont	272
Ridge and Valley	324

NOTES: To determine the region the field is in; refer to the list of eligible counties by region. Please refer to the table showing the correlation of other soil testing laboratories if necessary.

9. Poultry litter must have been analyzed within the previous three years to determine nutrient content and final application rate for nutrient management plan development. If analysis is unknown at the time the NMP is written, litter analysis shown in Table 8-4 in the *Virginia Nutrient Management Standards and Criteria*, Revised July 2014, may be used to develop the initial NMP.
10. No mortality (composted or otherwise) can be shipped as part of this incentive program. Litter containing mortality in any form will not qualify for payment.
11. Litter with moisture greater than 35% is ineligible for payment.
12. Litter off-loading and storage at the receiving site must be in accordance with the requirements of the Virginia Department of Environmental Quality **Fact Sheet: Requirements for Poultry Litter Use and Storage**.
13. Vehicles used to transport poultry litter, including any application equipment, must contain the poultry litter within the cargo area without loss while operating on a public road.
14. Spot checks for compliance with these program requirements may be performed by the Virginia Department of Conservation and Recreation.

C. How to Apply:

1. To apply for a payment, the applicant must complete and return the Poultry Litter Transport Incentive Request Form, a **VIRGINIA W9 TAX FORM**, and the applicant's Nutrient Management Plan to:

Poultry Litter Transport Incentive Program
Department of Conservation & Recreation
12 Sunset Blvd.
Staunton, VA 24401

2. Once the forms are received, they are reviewed by DCR. The incentive request must be approved by DCR prior to litter transport.
3. Once the Poultry Litter Transport Incentive Request Form has been approved for incentive payment and after litter has been applied, submit to the above address the following completed forms (Please do not staple documents):
 - Field Application Record;
 - Chain of Custody form;
 - Certified scale weight tickets showing the litter tonnage transported; and
4. These documents will be reviewed and if approved, processed for payment. The party who submitted the Poultry Litter Transport Incentive Request Form will then receive the incentive payment.

Virginia's Poultry Litter Transport Incentive Program

E. Counties Eligible To Receive Incentive:

Eastern Shore and Lower Coastal Plain:

Charles City	Chesapeake	Essex	Gloucester
Hanover	Isle of Wight	James City	King & Queen
King William	Lancaster	Mathews	Middlesex
New Kent	Northumberland	Richmond	Southampton
Suffolk	Surry	Sussex	Virginia Beach
Westmoreland			

Middle and Upper Coastal Plain and Piedmont:

Albemarle	Amherst	Appomattox	Bedford
Brunswick	Campbell	Caroline	Charlotte
Chesterfield	Culpeper	Dinwiddie	Fauquier
Franklin	Greene	Greensville	Goochland
Halifax	Hanover	Henrico	Henry
Lunenburg	Madison	Mecklenburg	Nelson
Orange	Patrick	Powhatan	Prince George
Pittsylvania	Rappahannock	Spotsylvania	

Ridge and Valley:

Alleghany	Augusta	Bath	Bland
Botetourt	Buchanan	Carroll	Clark
Craig	Dickenson	Floyd	Frederick
Giles	Grayson	Highland	Lee
Montgomery	Pulaski	Roanoke	Rockbridge
Russell	Scott	Shenandoah	Smyth
Tazewell	Warren	Wise	Wythe

F. Incentive Payment Rates:

- **\$30.00 per ton** for poultry litter generated in Accomack County
- **\$25.00 per ton** for poultry litter generated in Page and Rockingham Counties, and land applied **outside of** the Chesapeake Bay Watershed
- **\$17.50 per ton** poultry litter generated in Page and Rockingham Counties, and land applied **within** the Chesapeake Bay Watershed

Incentive Payment Applicant

Name: _____

Social Security #: _____ **or Federal Tax Identification #:** _____

Address: _____

_____ **County (Where applied):** _____

Contact Person: _____ **Telephone No.** _____

Email Address: _____

Tons of litter to be applied: _____ **Source county** _____

Attach a completed "Request for Taxpayer Identification Number and Certification (VIRGINIA W-9) Tax Form."

1. Obtain a current Nutrient Management Plan (NMP) that includes all fields scheduled to receive poultry litter transported through this program. (The plan must have been prepared by a nutrient management planner certified by the Virginia Department of Conservation and Recreation.) **Litter must be applied as specified in the nutrient management plan.**
2. Up to **800** tons of litter may be eligible per applicant, per incentive request. **Certified scale weight tickets showing the litter tonnage transported are required.**
3. Fields scheduled to receive poultry litter transported through this program must have a Virginia Tech soil test phosphorus reading not exceeding the maximums shown in the program description.
4. **No** mortality (composted or otherwise) will be shipped as part of this incentive program. Litter containing mortality in **any** form will **not** qualify for payment.
5. Poultry litter must originate on farms in Page, Rockingham or Accomack counties.
6. **To receive an incentive payment through this program, litter must be transported to a final destination in the counties listed in sections G, H, and I of the program description.**
7. Litter off-loading and storage at the receiving site must be in accordance with the requirements of the Virginia Department of Environmental Quality **Fact Sheet: Requirements for Poultry Litter Use and Storage.**
8. Completed "Poultry Litter Transport Incentive Request Forms" are valid for the current fiscal year, beginning July 1, 2023 and ending June 30, 2024.
9. Virginia DCR and the Virginia Poultry Federation assume no liability regarding quality of poultry litter transported and applied under this program.
