## Table of Contents

<b>Acronyms and Abbreviations .....</b>	
<b>1 Virginia Vision and Trail System .....</b>	<b>1-1</b>
Connecting our Commonwealth .....	1-1
The Vision of Greenways and Trails for the Virginia Landscape .....	1-2
Greenways and Trails .....	1-2
Greenways and Trails Delineate Corridors .....	1-3
Greenway Types and Functions .....	1-5
Trail Types and Functions .....	1-6
Community Benefits of Greenways and Trails .....	1-11
<b>2 Creating and Managing Greenway and Trail Organizations .....</b>	<b>2-1</b>
Forming the Organization .....	2-1
Building, Strengthening, and Managing Your Organization .....	2-3
Greenway and Trail Ownership Alternatives .....	2-5
Obtaining and Using Public Input .....	2-6
Working with Landowners and Neighbors .....	2-8
Working with Public Officials and Non-Governmental Organizations .....	2-9
Marketing and Publicity .....	2-16
Finance and Funding .....	2-19
Continuing the Mission .....	2-22
<b>3 Planning a Greenway or Trail .....</b>	<b>3-1</b>
Developing a Concept Plan .....	3-1
Developing the Mission Statement .....	3-2
Meeting with Key Individuals .....	3-2
Starting the Planning Process .....	3-3
The Feasibility Study .....	3-4
The Master Plan .....	3-8
Presenting the Master Plan to the Public .....	3-10
Identifying Needed Facilities and Infrastructure .....	3-10
Enhancing Economic Benefits .....	3-11

**4 Land Acquisition and Trail Development ..... 4-1**

***How to Use This Chapter.....1***

***Land Acquisition.....2***

*Acquisition of Rights-of-Way..... 2*

*Donation..... 3*

*Purchase..... 3*

*Fee-Simple Purchase..... 3*

*Bargain Sale..... 3*

*Right of First Refusal..... 3*

*Lease Purchase..... 3*

*Easements..... 3*

*Working With Railroads..... 4*

*Railbanking..... 4*

*Rails with Trails..... 4*

*Acquisition Procedures..... 5*

*Procedures for Acquiring Land..... 5*

***Liability & Insurance Issues.....9***

*What is Liability and Who is Liable?..... 9*

*Mitigating Liability and Liability Concerns..... 9*

*Risk Management..... 10*

*Duty of Care & the Virginia Tort Claims Act..... 10*

*Recreational Use Statutes..... 10*

*Insurance..... 10*

***Working with Design Professionals and***

***Skilled Trail Practitioners.....11***

*When Do You Need Professional Assistance and What Type Do You Need?..... 12*

***Getting It Built: Construction Documents, Permitting, and Bidding.....13***

*Determining Who Builds Your Trail..... 13*

*Construction Packages..... 13*

*Overview of Permitting and Regulatory Agencies..... 14*

*Environmental and Cultural Permits and Agencies 14*

*Construction Permits and Reviewing Agencies..... 18*

*Sending Your Project Out To Bid..... 20*

***Trail Design.....22***

*Universally-Designed Trails..... 22*

*Laws, Standards, and Guidelines..... 22*

*Allowing Power-Driven Devices on Trails ..... 23*

*Exemptions and Flexibility..... 24*

*Trail & Path Design Guidance for Universal*

*Accessibility..... 25*

*Universally-Designed Trail and Path Amenities..... 27*

*Water Access & Boardwalks..... 27*

*Wildlife Viewing Areas..... 27*

*Signage..... 28*

*Universally-Designed Equestrian Amenities..... 28*

*Managing User Conflicts..... 29*

Education.....	30
Trail Design.....	30
Regulations.....	30
Discussions and Cooperation.....	31
<i>Environmental Considerations.....</i>	<i>32</i>
Preserving Vegetation.....	32
Invasive Alien Plants.....	34
Erosion & Sediment Control/Stormwater Management During Construction or Rehabilitation.....	35
Soils, Soil Surveys, and Topography.....	36
Working With A Geotechnical Engineer.....	38
Understanding Topography, Slopes, and Grades.....	38
Designing With Topography.....	39
Designing In Concert with Environmentally- Sensitive Areas.....	40
<i>Standard Trail Types and Surfaces.....</i>	<i>41</i>
Choosing A Trail Type.....	41
Choosing a Trail Surface.....	41
Motorized Trails for Off-Highway Vehicles.....	45
<i>Trailhead Guidance.....</i>	<i>48</i>
General Considerations.....	48
Location.....	48
Amenities.....	48
<i>Road Crossings.....</i>	<i>49</i>
Crosswalks.....	49
Tunnels & Underpasses.....	49
Bridges.....	50
<i>Trail and Path Amenities.....</i>	<i>51</i>
Signage.....	51
Pavement Markings.....	53
Art and Sculpture.....	53
Lighting.....	54
Amenity Guides.....	55
<i>Trail Standards Field Guides.....</i>	<i>66</i>
<b><i>Trail Construction Guidelines.....</i></b>	<b><i>101</i></b>
<i>Common Trail Construction Equipment.....</i>	<i>101</i>
<i>Dealing With Wet Soils.....</i>	<i>102</i>
Boardwalks, Turnpikes, Puncheons, and Footbridges.....	102
Soil Bridging.....	103
Over-excavation.....	103
Geosynthetics.....	103
<i>Rehabilitating Older and Damaged Trails and Paths</i>	<i>104</i>
Confirm Ownership and Right to Rehabilitate.....	104
Inventory and Assess Problems.....	104
Prioritize Issues.....	104
Temporary Trail Closures Due to Rehabilitation Work....	105
Common Rehabilitation Tasks.....	105
<i>Construction Cost Estimates.....</i>	<i></i>

**5 Trail Operations and Management ..... 5-1**

***How to Use This Chapter.....1***

***Trail Operations and Management.....1***

*Who Manages A Trail?..... 1*  
*Operations and Maintenance Plan..... 2*  
*Policing the Trail or Path..... 3*  
*Risk Management Considerations..... 4*  
*Using Technology to Enhance Risk Management..... 6*  
*Enforcement of Rules and Regulations..... 7*  
*Permanent Trail Closures ..... 7*  
*Temporary Trail Closures Due to Inclement Weather and  
Emergencies..... 7*  
*Evacuation Procedures..... 8*  
*Special Events and Maintenance Responsibilities..... 9*

***Maintaining Your Trail.....10***

*Who Should Perform Maintenance?..... 10*  
*Tips for Working with Volunteers:..... 11*  
*Tips for Municipal-run Maintenance:..... 12*  
*Tips for Private Contractor Maintenance:..... 12*  
*Maintenance Plans..... 13*  
*Maintenance Tasks..... 13*  
*Maintenance Priorities..... 14*  
*Maintenance Schedules..... 14*  
*Evaluation..... 15*  
*Maintenance Budgets & Funding..... 15*  
*Budgeting..... 15*  
*Funding Sources..... 16*  
*Cost Estimates..... 16*

**Appendices (Original Toolbox)**

Appendix I: Additional Information and Sample Sources  
Appendix II: Sample Partner Profile  
Appendix III: Sample Permission Form and Liability Waiver  
Appendix IV: Sample Trail User Survey  
Appendix V: A Community Value Survey  
Appendix VI: Trail Use Rules and Regulations Guidelines  
Appendix VII: Trail Assessment Form  
Appendix VIII: Model Easement for a Trail  
Appendix IX: Trail Construction Costs  
Appendix X: Federal Highway Administration Funding for Bicycle and Pedestrian Projects  
Appendix XI: Code of Virginia Section 29.1-509 The Liability Law  
Appendix XII: Equine Documents  
Appendix XIII: Managing Multiple Use Trail Conflict  
Appendix XIV: Trail Log & Inspection Form  
Appendix XV: Virginia Tort Claims Act  
Appendix XVI: Recreational Use Statute  
Appendix XVII: Rules of the Trail & Trail Etiquette Samples  
Appendix XVIII: Trail Grade Calculation Details  
Appendix XIX: Sample Bench Design

Appendix XX: Sample Kiosk Design  
Appendix XXI: Sample Gate Design  
Appendix XXII: Green Pages  
Appendix XXIII: Bibliography

## **Appendices (Toolbox Update)**

### Chapter 4 Appendices

4-A Trail Construction Definitions  
4-B Sample Easements  
4-C Rail-with-Trail Proposals  
4-D Environmental Screening Forms  
4-E Recreation & Liability Laws  
4-F Construction Personnel Decision Matrix  
4-G Permitting Agency Contacts  
4-H Sample Invitation to Bid  
4-I In-Field Soil Tests  
4-J Slope Equations  
4-K Trail Type Decision Matrix  
4-L Trail Surface Decision Matrix  
4-M Sample Trail Construction Details  
4-N Typical Construction Equipment  
4-O Typical Construction Costs

### Chapter 5 Appendices

5-A Sample Trail Log & Inspection Forms  
5-B Sample Maintenance Schedules  
5-C Typical Maintenance Costs
