## RANGER

---

**Welcome to Natural Tunnel State Park. To become a B.A.R.K. Ranger, you must take a picture of your pup doing 3/4 of these activities and show them to a ranger to receive your B.A.R.K.**

**Ranger tag:**

- Take a Hike- Choose one of the 9 trails to hike. I keep my human on a leash no longer than 6 ft.
- Travel Back in Time- Visit the Blockhouse or Carter Cabin. My human knows to pick up after me.
- Get a Lift- Take a ride down the chairlift. My human and I keep our paws in our laps and our tails in the seat.
- Tunnel Tour- Visit the Natural Tunnel. I know to respect wildlife like the “Rock Pigeons” that are seen at the tunnel.
