Carriage Rides

Dec. 12 and 19
5 to 9 p.m.

Experience the Natural Bridge like never before.

Luminary Nights will be held two weekends in December, Friday through Sunday. The park will offer carriage rides on Sunday evenings along the luminary-lined banks of Cedar Creek and under the colorfully lit Bridge. Enjoy a roaring fire and treats at the Cedar Creek Café.

For guests who would like to walk the luminary path and enjoy the trail, Fridays will be for pedestrians only. Standard admission applies.

For guests interested in a carriage ride, preregistration is required by calling 540-291-1331. Each rider will be \$20, which includes admission. Pedestrians are welcome on these nights but will share the trail with carriages.
