Dear Hunter,

Thank you for choosing to participate in the James River State Park Deer Hunt. Enclosed in this packet you'll find the following information:

- A non-transferrable reservation confirmation email
- Terms and Conditions
- A required items list
- Hunt map and Avenza instructions

Please carefully review all the documents in this packet. Each hunter will need to sign the Terms and Conditions sheet to confirm they have read, understood, and will abide by the stated conditions. Hunters under the age of 18 must also have a parent/guardian's signature.

We encourage you to visit the park during normal park hours (dawn to dusk) to familiarize yourself with your zone location. During your pre-hunt scouting trip, please park in parking lots and not along roadsides. Normal parking fees apply.

The park will open for hunter check-in at 5:30 a.m. All hunters must check-in at the maintenance shop by 5:30 a.m. Late arrivals will forfeit their reservation to stand-by hunters. A mandatory pre-hunt safety briefing will take place at the check station. Hunters must checkout at the maintenance shop no more than 15 minutes after legal shooting light as determined in the VADWR Hunting Sunrise/Sunset table. Stand-by drawing will be held daily to fill vacant positions. You are welcome to come any or all days of the hunt, to hunt stand-by.

If you have any questions prior to the hunt, please contact the park office at 434-933-8527.

Sincerely,  
John Fury  
Park Manager

## **Avenza Maps Instructions**

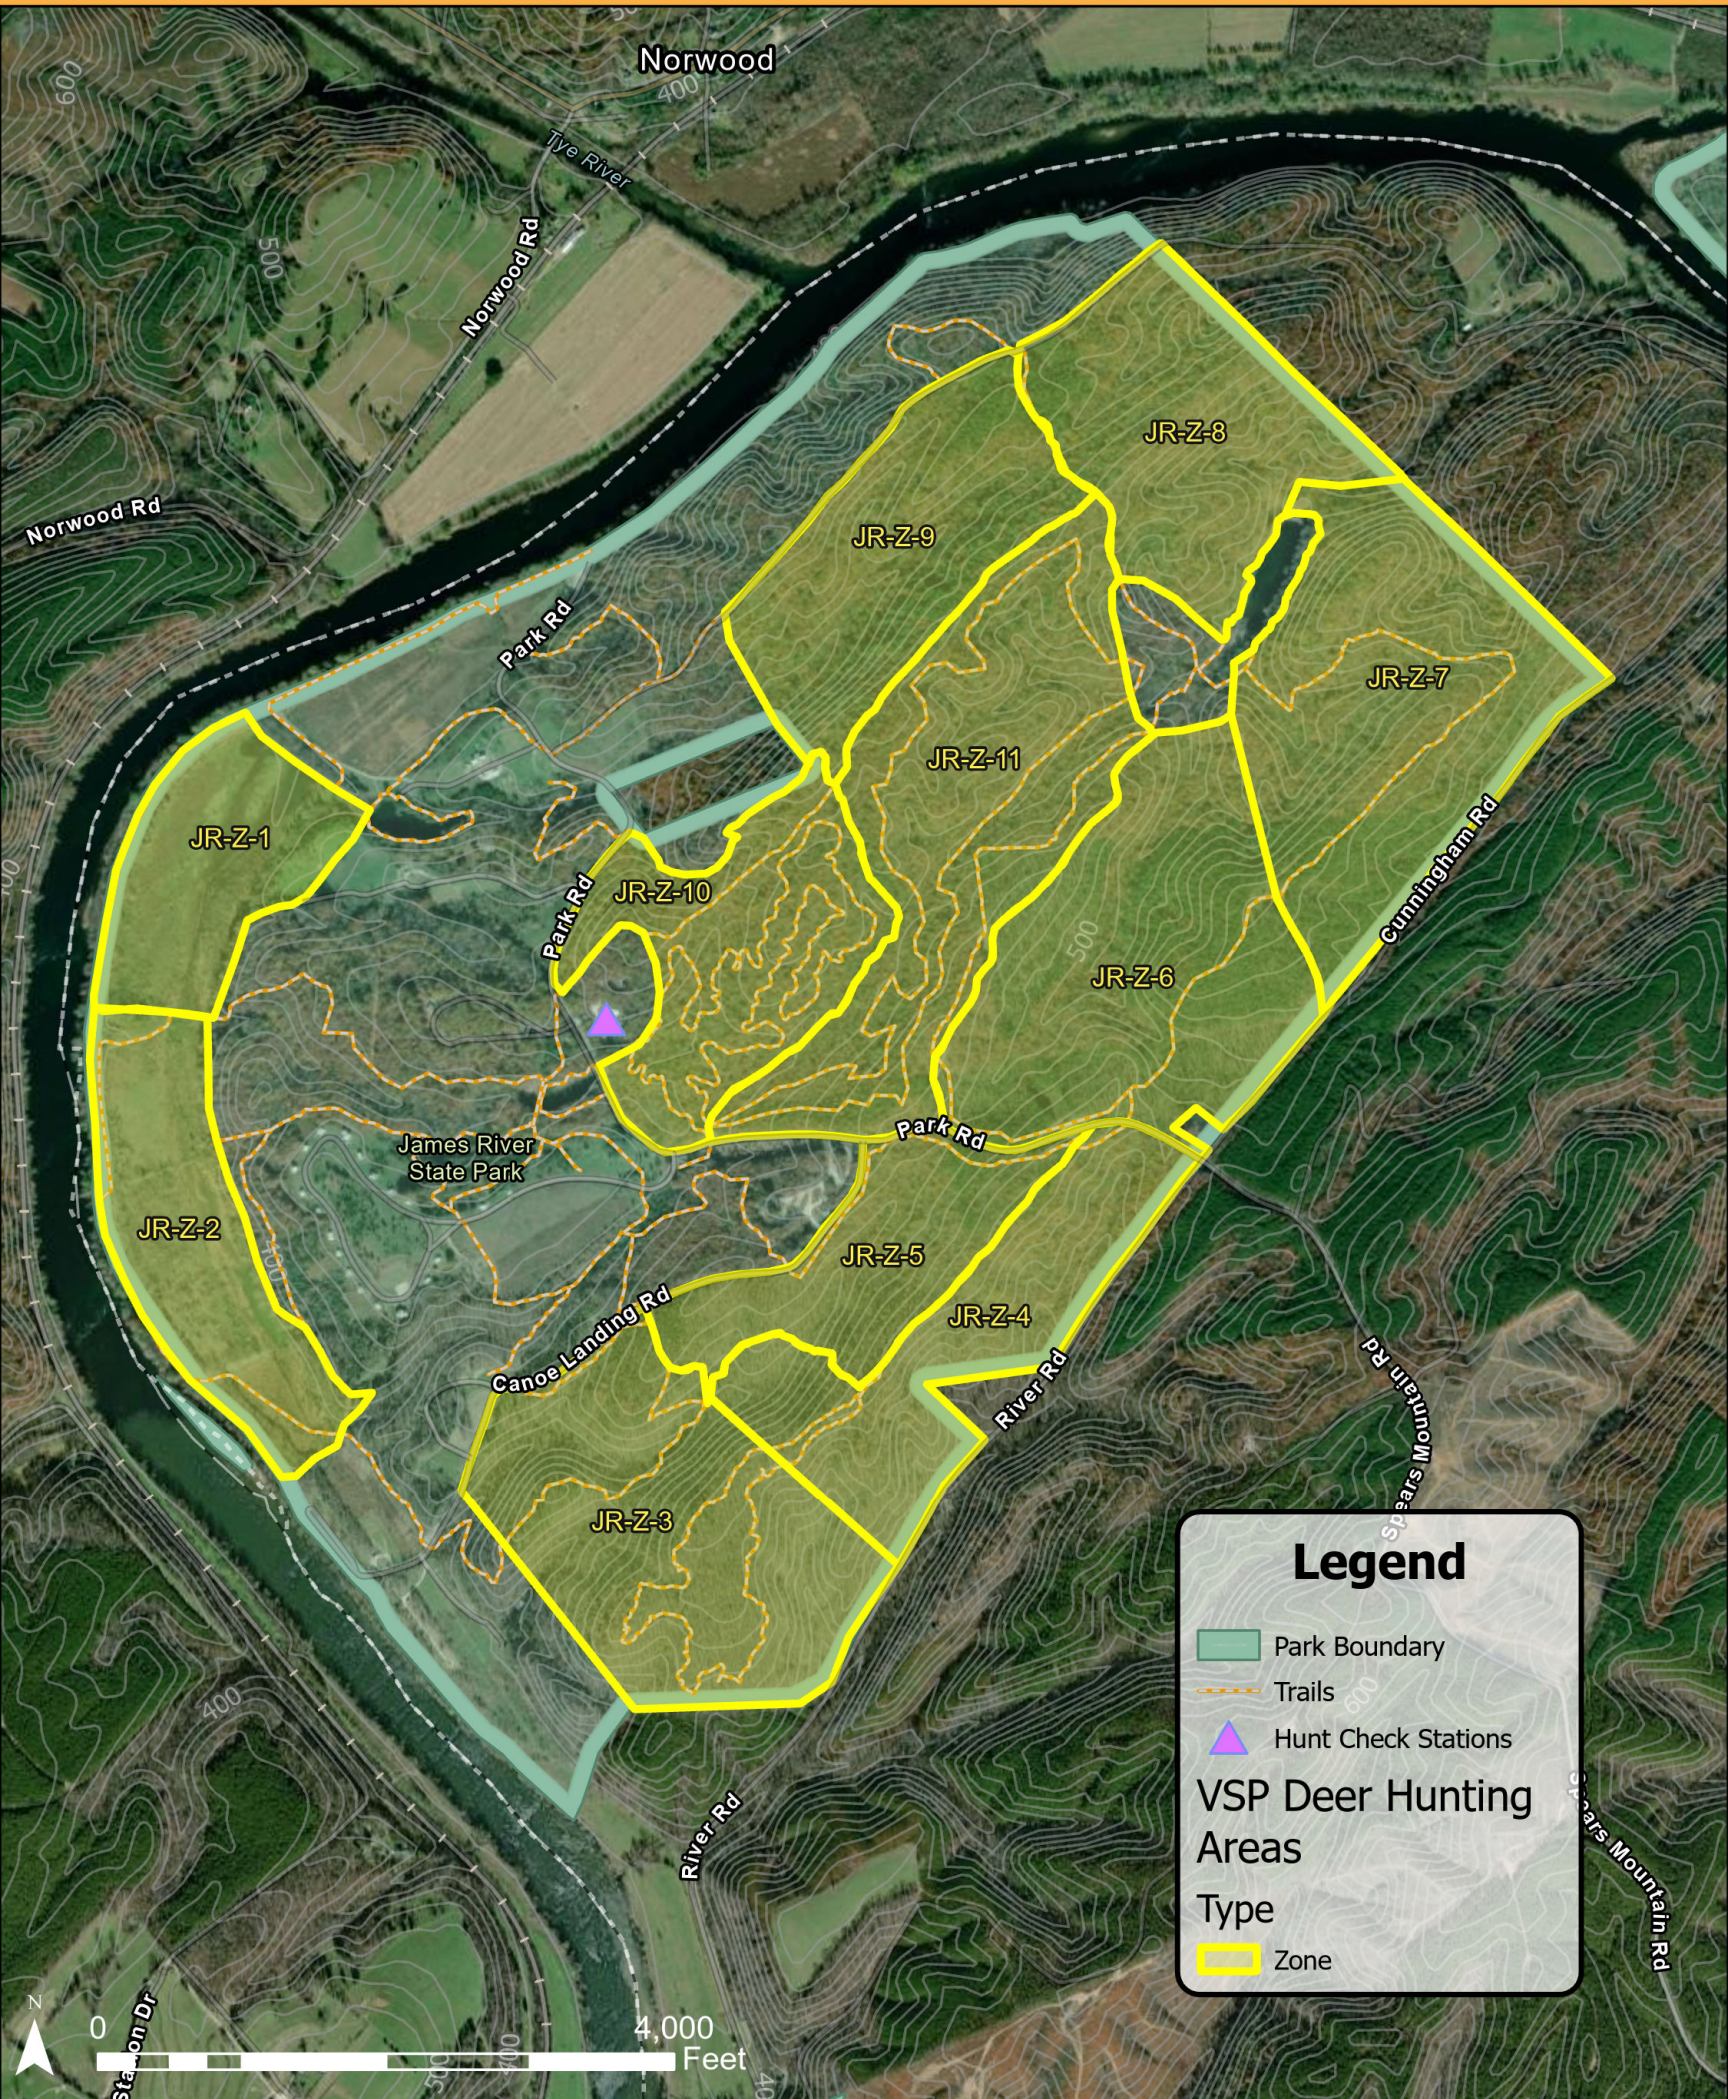

To fully utilize the benefits of the digital copy of the map, hunters should download the free app named Avenza Maps. This app is available for both Android and iOS. This app will allow you to use the hunt map in a similar manner to Google Maps or other mapping software. You will be able to geo-locate yourself on the hunt map, as well as drop point markers and even attach photos for later reference. This will allow you to better locate your stand as well as mark any areas of interest you may want to revisit if you are attending a zone hunt. One of the great benefits of this app is you do not need phone service. The map is saved onto your phone and all you need to navigate is a GPS signal.

1. Visit your app store (Google Play or Apple's App Store) and search for Avenza Maps.
2. Download and install the app.
3. There are two ways to open the hunt map with Avenza: Either download the map directly and open the map with Avenza OR visit the in-app Avenza store and search for the park in which you are hunting. (For example, typing in "Caledon State Park" in the Avenza store will bring up the Caledon Hunt Stand map). You can then download the map, for free, within Avenza.
4. When you're in the park, open the Avenza app, and choose the appropriate map. You will show up as a small blue dot within the map.
  - a. Don't forget you can turn 3G/4G and phone service off so you don't waste your battery or data.
