Dear Hunter,

Thank you for choosing to participate in the Pocahontas State Park Deer Hunt. Enclosed in this packet you'll find the following information:

- A non-transferrable reservation confirmation email
- Terms and Conditions
- A required items list
- Hunt map and Avenza instructions

Please carefully review all the documents in this packet. Each hunter will need to sign the Terms and Conditions sheet to confirm they have read, understood, and will abide by the stated conditions. Hunters under the age of 18 must also have a parent/guardian's signature.

We encourage you to visit the park 8am to 5pm daily to familiarize yourself with your zone location. During your pre-hunt scouting trip, you must use established parking area and display this letter on your windshield. No weapons are permitted, no marking or tree stands may be placed. Normal parking fees apply.

The park will open for hunter check-in by 4:30am. All hunters must check-in at the check station / maintenance shop by 5:00 am. Late arrivals may forfeit their reservation to stand-by hunters. A mandatory pre-hunt safety briefing will take place at the check station at 5:15 am. Hunters must checkout at the check station/ maintenance shop by 6:30 pm, regardless of hunter success. A standby drawing will be held at 5:00am and 12:00pm for any vacant zones. You are welcome to come any or all days of the hunt, to hunt stand-by. To reach the check station/maintenance shop; enter the park and go through the main gate and proceed down State Park Road for about a half mile. The maintenance complex will be on your right, turn in through the gate and the shop will be the building on the left with lights on.

For the November hunts, the reservable zones are remaining the same, however there are now two reservations per zone and each reservation may only bring one buddy hunter with them. The hunters sharing these zones will be responsible for coordinating where in the zone each will hunt.

If you have any questions prior to the hunt, please contact the park office at 804-796-4255.

Sincerely,  
Nate Clark  
Park Manager

## **Avenza Maps Instructions**

To fully utilize the benefits of the digital copy of the map, hunters should download the free app named Avenza Maps. This app is available for both Android and iOS. This app will allow you to use the hunt map in a similar manner to Google Maps or other mapping software. You will be able to geo-locate yourself on the hunt map, as well as drop point markers and even attach photos for later reference. This will allow you to better locate your stand as well as mark any areas of interest you may want to revisit if you are attending a zone hunt. One of the great benefits of this app is you do not need phone service. The map is saved onto your phone and all you need to navigate is a GPS signal.

1. Visit your app store (Google Play or Apple's App Store) and search for Avenza Maps.
2. Download and install the app.
3. There are two ways to open the hunt map with Avenza: Either download the map directly and open the map with Avenza OR visit the in-app Avenza store and search for the park in which you are hunting. (For example, typing in "Caledon State Park" in the Avenza store will bring up the Caledon Hunt Stand map). You can then download the map, for free, within Avenza.
4. When you're in the park, open the Avenza app, and choose the appropriate map. You will show up as a small blue dot within the map.
  - a. Don't forget you can turn 3G/4G and phone service off so you don't waste your battery or data.
